DETAILED ACTION

1. The applicant's election of claims **12-14** is acknowledged.

Claims **12-14** and new claims 21-24 are present for examination.

Claims **12-14 and 21-24** are allowable over the prior arts of record for the reasons as stated below.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claims **1-11 and 15-20** are canceled as directed to a non-elected invention.

REASONS FOR ALLOWANCE

3. The following is an examiner's statement of reasons for allowance:

The prior arts fail to teach or fairly suggest a semiconductor memory device comprising a cell array, each capable of having four (4) threshold voltages and storing

two (2) data bits, and a first flag cell and second flag cell which are selected at same time. The improvement further includes a control section which, when writing the data in a second page composed of the two bits into the memory cells selected by the word line, writes specific data into the first and second flag cells and which, when reading the data in a first page from the memory cells, determines from the data read from the first flag cell whether the second page has been written into the memory cells and which, when reading the data in the second page from the memory cells, determines from the data read from the second flag cell whether the second page has been written into the memory cells.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Viet Q. Nguyen whose telephone number is (571) 272-1788. The examiner can normally be reached on 7am-6pm (EST).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Dave Nelms can be reached on (571) 272-1787. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
